

VETERAN ENTREPRENEURIAL TRAINING & RESOURCE NETWORK

Is Proud to Launch its Newest Training Program
for Veteran Small Business Entrepreneurs

VETERAN PROGRAM IN ENTREPRENEURSHIP

Veteran Small Business Owners, Service-Disabled Veterans, National Guard, and Family Members who have started a business, but who are in the early stage of their business development, and are looking for management training, networking, and professional resource support in building a viable business plan and a sustainable revenue model can apply to the upcoming VETRN Program in Entrepreneurship.

PROGRAM HIGHLIGHTS

- Free tuition for all participants.
- Open to all Veteran small business owners and their family members nationwide.
- Each cohort consists of 20-25 Veteran small business owners and family members.
- This is a National Online Program held every other Saturday morning.
- An industry or financial mentor is paired with each participant from day one of the program.
- Peer to Peer mentoring
- Guest speakers from the business, finance, accounting, sales & marketing, and legal communities.
- Access to the VETRN Professional Resource Network, including referred bankers, attorneys, and investors.
